### *From the Chapter President*

In 2014, the SA Chapter will be partnering with the Open House Adelaide in delivering the program. This presents the profession with a unique and valuable opportunity to engage with the public around the architecture of Adelaide. Through story telling about our processes, our buildings, and our connections to our environments, the community can better understand what we as Architects do. There are a number of ways you and your practice can get involved.

## News

### One:One will be back in 2014

On Fri 15 Nov, 31 professionals and 32 students from both Architecture Schools had a great day out in the sun designing and constructing a fully functioning bar. A huge thank you to everyone involved, all the sponsors, practices and to the team who worked tirelessly to deliver the project. Visit [One:One Adelaide](#) to view photos of the event by David Sievers Photography.

### National Energy Efficient Building project

A joint consultant team of pitt&sherry and Swinburne University has been engaged to help roll out the National Energy Efficient Building project - a response to growing concern that the actual energy efficiency of buildings in Australia may not always match the energy performance requirements in the National Construction Code. If you'd like to get involved, read on.
