# GRAND DESIGNS

### Grand Designs Australia is looking for one more house for Series 5.

As it is quite late in production it would suit us if the project has begun but is not too advanced in building. For example a cement slab, or a basement level would be perfect.

The project would need to be completed by September/October 2014 at the very latest.

Please contact Andrea Lee-Steere of FremantleMedia Australia for further details on [Andrea.Lee-Steere@fremantlemedia.com.au](mailto:Andrea.Lee-Steere@fremantlemedia.com.au).
