From the National President

This week I'd like to provide in a bit more detail some of the items addressed at National Council earlier this month, including the Chapter Council Charter and changes to the National Awards program. In March 2012, Council adopted a National Council Charter as the first in a series of proposed documents that will ultimately form a comprehensive governance manual for the Institute.

SURRY HILLS
Architecture and Light
2.00pm Saturday 31 August
Surry Hills Library

Light is not only a prerequisite for life itself but also the substance that allows us to carry out a multitude of tasks from the mundane to the majestic. Both natural and artificial light play a crucial role in our environments and our ability to function within them. This talk will explore the interplay between people, light and architecture.

Speakers: Petra Kleegraefe (Architectural Lighting Design) & Carol Marra (Marra+Yeh)
