From the CEO

Almost two years ago, construction began on 41X. But, as many of you know, the project's inception dates back to 2006, when National Council commissioned a detailed feasibility study for the site, encompassing a range of potential options for its future.

Feature

Kennedy Nolan - A View

Kennedy Nolan was established in 1999 and has since developed a reputation as a design focused practice with a distinctive approach to built form. The practice is dedicated to the production of architecture that is highly responsive to its context and seeks to form a strong relationship with landscape.

Scroll down to What's On for more info.
