

### *From the National President*

Next week I will be travelling to Singapore to attend the World Architecture Festival (WAF). WAF is a fantastic opportunity for the Institute to promote the work the organisation and our members are doing to an international audience. While there, I will be promoting the Institute's bid to host the UIA Congress in 2020 ...

#### **March Studio**

Founded in Melbourne in 2007 March Studio has quickly established a global reputation for combining the experimental with the pragmatic. Their methodology is underpinned by the same critical question again and again: Does the space we are creating reflect you and your needs, and not only now but into the future?

## News

### *Don't silence experts: professional bodies add oomph to any debate*

Public debate about policy issues is something we need a lot more of. There should be a contest of ideas because there's no question that a diversity of views on the merits of policies leads us to a well-informed position in the end.
