## Design Architect

Permanent full-time position

New Office fit-out

---

FKA is renowned for producing buildings which are cutting edge in design and incorporate fine technical detail. Talented and experienced **Design Architects** are invited to submit registrations of interest to join the Melbourne office.

The ideal candidate will have a high level of competence in graphics and rendered presentation and animation software. A developing eye for architectural and interior design and the ability to produce perspectives and views that express the essence and impact of the proposed built form. Previous experience working closely with key senior designers and practice partners is essential as this is a core aspect of this role.

FKA offers successful candidates a flexible and supportive studio environment dedicated to the delivery of design excellence to clients and the built environment. With a strong pipeline of work, we are excited to soon be operating from our new studio in Southbank, currently under construction.

Salary packages and general terms are negotiable in accordance with experience and market rates. Candidate must be currently eligible to live and work in Australia on a permanent basis.

Interested applicants are encouraged to apply in a timely manner, to assist a smooth process of enquiry, selection and induction.
