MAKE ARCHITECTURE
Senior Project Architect

15TH FEBRUARY 2017

MAKE Architecture are seeking an exceptional Project Architect with a minimum of 8 years post graduate experience. The right person will be passionate about design and dedicated to delivering projects of the highest standard.

This long term role will involve leading an exciting and diverse range of multi-residential and small residential projects in Melbourne and Sydney. You will have the ability to manage consultants and clients and work within a team environment through all phases of the design process. A highly organised person with meticulous work habits and a great attention to detail is essential. Multi-residential experience a must with ArchiCAD highly favoured.

At MAKE, a friendly, sustainable and supportive office culture is important to us and we enjoy a number of shared activities at our Yarra riverside location, including a weekly personal trainer, shared lunches and drinks to end the week. Together we enjoy architectural talks and tours, awards events and social gatherings by the river.

MAKE is a small practice that is growing rapidly and as such this is an opportunity for the right person to become an important part of the team. Flexible working hours possible for the right person. Salary commensurate with experience.

Interested candidates please submit your CV and portfolio in a single PDF (max 5M) to work@makearchitecture.com.au
