**Branch:** City Projects Office

**Salary Range:** AUD \$85,632 to \$95,215 *Remuneration stated is for the full-time positions*

**Work type:** Permanent Full-time

## **INTERIOR DESIGNER**

Have you been looking for that unique role where you can really make a difference enhancing the lifestyle of Brisbane residents?

Want to be part of a team who will share your passion and value your expertise and knowledge in contemporary interior design practices?

Well if so keep reading, as this is an exciting career opportunity which may be just what you have been waiting for.

The Architecture and Building Services Engineering team provides a variety of architectural, design and building services to ensure the success delivery of simple to complex building solutions that generate added value for our clients.

As one of the Interior Designers in this team you will be responsible for managing a variety of interesting projects. You will be supported by a professional, experienced team of Designers and have the opportunity to work on a diverse range of projects.

To be successful in this role it is essential you must have:

- Practical experience using AutoCAD, Revit & Presentation Software
- Experience in the delivery of integrated environmentally responsible solutions utilising sustainable Green Star design practices
- Demonstrated experience managing multiple interior design projects for both new builds and retrofits.

Council encourages a healthy work life balance and offers an excellent salary package including 14% superannuation.

Benefits of working for Council include:

- flexible working hours, and flexible arrangements
- free gym and wellness centre
- award winning superannuation fund
- generous leave provisions
- competitive salary.

*Working in Council means delivering excellent customer service to the people of Brisbane.*

**Duration: Permanent Full Time**
