

REVIT TEAM LEADER & ARCHITECTURAL DOCUMENTER POSITIONS

- Opportunity to expand and develop your skills in a secure and exciting Practice
- Salary package commensurate to experience and performance
- AutoCAD/Revit focus – Commercial and Residential
- Longstanding team and stimulating projects

Our company

Ceccato Hall + Associates is a medium sized design focused architectural firm in Brisbane. The Practice was established in 1999 and continues to grow. We have a long standing private-sector client base and attract new clients impressed by our body of work and commitment. We are currently documenting a \$150M hotel and residential tower in Southbank, and about to commence documenting a new hotel and residential tower at Kangaroo Point. Projects also include commercial offices, shopping centres, apartment and townhouse developments, childcare centres, education facilities, industrial premises, masterplanning and interiors.

Position 1 - Revit Team Leader

We are seeking a leader experienced with competent design and construction understanding and CAD proficient with advanced Revit skills to join our team. This will be a senior position mainly involving architectural documentation with reporting responsibilities to the partners and/or the project architect. The person will also have training responsibilities to develop and advance the Revit skills of the staff and maintain the Revit capability of the Practice.

To be successful in this position you will have:

- 7+ years Australian experience within an architectural practice
- Advanced skills using AutoCAD/Revit and capability to train others in Revit
- High level of understanding of design and construction documentation
- Self-motivated, strong communication skills, strong work ethic and the ability to lead
- Good working knowledge of BCA regulations and Australian Standards
- Must be capable of producing accurate, timely documentation packages

Position 2 - Architectural Documenter

We are seeking an Architectural Documenter experienced with competent design and construction understanding and CAD proficient including Revit skills to join our team. This will be a position mainly involving architectural documentation as part of a project team. Projects will vary for a mix of different work and Revit skills will be further developed.

To be successful in this position you will have:

- 5+ years Australian experience within an architectural practice
- Skills using AutoCAD/Revit
- Understanding of design and construction documentation
- Self-motivated, strong communication skills and strong work ethic
- Good working knowledge of BCA regulations and Australian Standards
- Must be capable of producing accurate, timely documentation packages

Benefits

- Flexible arrangement available with full time or contract position available to Australian and permanent residents only.
- Immediate start, great opportunity to join a friendly long-standing energetic and dedicated team working on exciting projects.

How to apply

Please submit your resume and a sample of your portfolio to h.hall@ceccatohall.com.au
For further information contact Howard Hall – (07) 3369-1899

Applications from Recruitment Agencies will not be considered.

We are not in a position to sponsor any overseas applicants. Australian citizenship/permanent residency is therefore mandatory.
