

Project Architect / Experienced Architectural Graduate, NOOSA

Come and join us in June 2018.

We have upcoming opportunities in our Noosa Studio at senior level (Director support role / Associate level).

Bark offers the team a supportive and collaborative studio environment dedicated to the delivery of design excellence to clients and the built environment.

Exciting Public, Commercial and bespoke Residential projects.

We have a range of project types and offer the experience to work on full project delivery at all stages with the ideal support environment for experienced Graduates aiming for Registration.

Full time registered Architect or a Masters Graduate with 5+ years practice experience, advanced initiative, with strong design, modelling and documentation skills.

Our practice uses ArchiCAD exclusively, so advanced experience with this program is essential.

Ideally the practitioner will have solid skill in the use of ArchiCAD for the production of sketch design, design development and working drawings, the ability to develop design and produce construction details.

As well as have had a depth of involvement with consultants and contractors during design development, construction documentation and contract administration skills.

Experience in Adobe Creative Suite (Photoshop & Indesign) and Microsoft Office Suite required.

Experience in Lumion and physical model making considered advantageous.

Salary Package commensurate with experience and skills.

Start end May / beginning of June 2018 ideal.

Email CV / Folio 'In Confidence' to info@barkdesign.com.au

Candidates must be currently eligible to live and work in Australia on a permanent basis.
