

REGISTERED ARCHITECT/ SENIOR ARCHITECTURAL TECHNICIAN

Seeking a proactive **Registered Architect / Senior Architectural Technician** with a passion for multi-residential architecture.

About Us:

O.G.E Group is a young energetic architectural firm on the Sunshine Coast that consists of a team of highly skilled and experienced architects and design professionals.

The Role:

We are seeking a Registered Architect/ Senior Architectural Technician with experience in multi-residential architecture to join our team. The applicant must have strong technical and documentation ability and an attention to detail. The role will primary involve project delivery, taking a concept design to BA, construction documentation and tender.

About You:

High level of experience in multi-residential architecture

A high level of experience with ArchiCAD is a pre-requisite

A minimum of 5+ years experience

Applicant must be pro-active and be able to work independently.

We are looking for someone with extensive experience in technical documentation with the ability to work efficiently to meet deadlines

The role will predominantly entail Design Development, Building Approval and Construction Documentation

The ability to work with and coordinate consultants

Demonstrated ability to work effectively in a collaborative environment, with good communication & time management skills

Enthusiastic and hardworking attitude

Good construction and technical knowledge of building practices particularly in multi-residential sector

Sufficient knowledge of BCA and Australian Standards

This is a great opportunity to work with a respected team. If you enjoy engaging with people and are looking to work with a creative group focused on delivering highly detailed built works then this opportunity is for you.

International residence need not apply.
