

Senior Architect CAD Technician

nra co-lab is a multi-award winning architectural, interior design and urban design practice with offices in Brisbane and Hong Kong.

Job details preview

An opportunity has arisen in our new Brisbane studio for a talented and motivated Architecture CAD Technician with strong technical and documentation skills with design flair to join our growing studio.

We offer:

- A creative and collaborative team environment
- A career growth path
- A central CBD location with great river views

Selection Criteria:

- Advanced proficiency in Revit/AutoCAD
- A working knowledge of BIM and Adobe Creative Suite experience
- Experience in documenting complex building projects
- A thorough knowledge of the NCC, relevant Australian Standards and a working knowledge of the Qld Planning Legislation
- A sound and demonstrable knowledge of contemporary detailing
- Good people skills & team participation/leadership
- A minimum 10 years Australian experience
- Excellent spoken English & communication skills

Salary package will be negotiated commensurate with the level of your experience.

Interested? Please submit your application including CV and portfolio to careers@nracolab.com, or visit www.nracolab.design/about/careers for more information about the role.
