ABOUT BICKERTON MASTERS

Bickerton Masters_ is a specialist architectural and interior design firm specialising in aged care, education, health, and community projects. Founded in 1997, we are now a team of 45+ in Brisbane, Sydney, and Melbourne. We organise our activities in a 'one-team' structure. Hence, we expect all of our staff to bring their unique strengths to the table and be cooperative, empathetic and highly communicative. Staff can expect to work collaboratively across a range of projects and sectors, with all team members, at all levels of the organisation.

THE ROLE

Our **Sydney studio** in Sydney's CBD is looking for a **Project Architect** who has been registered and practicing in Australia for at least **three to five years**.

Amongst other things, responsibilities of the successful applicant will include:

- + Overseeing contract administration on a portfolio of projects,
- + Coordinating external consultant teams on projects of varied scale,
- + Providing advice and guidance to architectural students working in our firm,
- + Building positive and productive relationships with clients and consultants and taking the time to understand their ethos and project visions.
- + Communicating regularly with staff in BM_'s Brisbane studio to ensure design and documentation is delivered to clients in accordance with BM_ company policies and to an exceptional standard,
- + Collaborating with other architects to develop innovative, brief and budget responsive designs that will exceed clients' expectations.

- + Employing best-practice risk and cost management strategies to ensure projects are well-executed and profitable

Remuneration will be based upon relevant experience and qualifications.

TRAITS, SKILLS & QUALIFICATIONS

To apply for this role, we require that you:

- + Are a New South Wales registered architect (3 Years Minimum),
- + Demonstrate BM_'s values of: Integrity, Respect, Empathy, Courage, & Innovation,
- + Are a team-player who can work collaboratively and build unity within a team,
- + Have good knowledge of BCA and relevant legislation and standards,
- + Are proficient in Revit, and
- + Can demonstrate specific architectural experience in the aged care, education or health sectors. (highly desirable)

APPLYING

If you believe you have the skills, traits and qualifications to fill this role, please send your CV & any other supporting documents which demonstrate your experience to:

jointheteam@bickertonmasters.com.au

Applications close 5:00pm Friday July 20, 2018.

Unfortunately, we are unable to respond to all applications. Only applicants progressing to the interview stage will be contacted.
