

Architectural Graduate and/or Building Designer Wanted

Looking to escape the long commute, save money on living expenses and gain more leisure time?
Are you wanting more flexible working hours and variety in your work?

If so, BEAT Architects is seeking a skilled, experienced Architectural Graduate and/or Building Designer to join our firm in a fulltime or contract position in our Rockhampton Office.

Applicants require: -

- Self Motivation
- Good ArchiCAD & Documentation skills
- Good understanding of Construction detailing
- Ability to manage multiple tasks.
- Good communication & professional presentation
- Ability to work with Planning Schemes & knowledge of NCC
- 3D Graphic skills & Photoshop.
- Minimum 3 years experience.
- Drivers licence.

We offer a flexible, relaxed work environment and variety of work. Remuneration package to suit your skills.

BEAT is a Rockhampton based Architectural business, serving the Capricorn Coast & Central Qld region, specialising in Education, Retail, Commercial, Medical & Aged Care Projects. We focus on producing quality design & documentation.

Applicants must provide list of experience and references.

To apply or seek further detail, please contact admin@beatarchitects.com.au or Ph 07 4922 0000.

Escape the rat race and experience the Capricorn Coast lifestyle.
