INDEX/

RMIT Interior Design Graduate Exhibition

Opening: Friday 9th November 7pm-12am

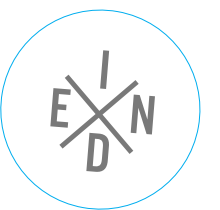

Exhibition: 9-14th November

Where: 17-23 Wills Street, Melbourne, 3000

INDEX – the RMIT Interior Design Graduate Exhibition is now in its 27th year. The annual graduate show is a display of extraordinary projects that challenge and extend ideas and possibilities for the practice of interior design. Each INDEX is also a unique expression of the particular group of students involved. This year, INDEX will occupy a vacant Art Deco building in the CBD.

INDEX 2012 promises projects that span from the built environment on an urban scale through to curatorial, research and community-based propositions.

Where: Pier 2/3, Hickson Rd, Walsh Bay, Sydney
About: The 2012 UNSW Interior Architecture Graduation Exhibition will showcase its final year student's propositions for a cultural facility that re-envisions and transforms Sydney's historic Goat Island
<http://www.be.unsw.edu.au/luminocity/interior-architecture>

Momentum

Final Year Architectural Studies Exhibition
Opening: 6:00pm, Sat, 17 Nov
Exhibition: 15th-22nd November
Where: Pier 2/3, Hickson Rd, Walsh Bay, Sydney
About: Student's attention to the detailed design of places and spaces of vitality for the interplay of living, working, research and culture is showcased in projects located in either an Urban or Regional context. The Urban Studio engaged with the interaction of architectural design, issues of cultural identity and its representation as well as city planning systems and frameworks in the design a Cultural Centre at Wynyard, Sydney. Regional Studio students analysed the natural and cultural ecology of a specific location in Boonoo Boonoo National Park near Tenterfield in Northern NSW to inform the architectural design of a project for a live-in facility for research into sustainable building technologies and building/architectural solutions for a specific environment.
