

chanarchitecture

Chan Architecture (www.chanarchitecture.com.au) is a design-focused, boutique architectural practice in Collingwood, looking for a talented project architect with a good eye for design and strong documentation skills, with at least 5 years of multi-residential experience in Melbourne.

You must be registered with the ARBV, have strong AutoCAD and Sketchup skills and have tertiary architectural qualifications from an Australian university.

Please email your CV to Anthony Chan at anthony@chanarchitecture.com.au.
