

## **ONOFF ARCHITECTURE**

Graduate of Architecture

Student of Architecture

7th June 2017

Onoff Architecture is small award winning architectural practice seeking a talented Graduate of Architecture or Student of Architecture interested in design and building.

The right applicant will have a strong 3d imaging folio and a high level of skill with Rhino, Vray, Autocad and or Revit computer software.

We are a small team so you will work directly with a senior architect. We offer an interesting workshop environment.

Our studio is growing and as such this is an opportunity for the right person to become an important part of the team. Flexible working hours possible for the right person.

Interested candidates, please email your CV and a folio in a single PDF to [mlarionoff@onoff.com.au](mailto:mlarionoff@onoff.com.au)
