

Experienced Project Architect/Graduate

Who we are:

K2LD architects is an architecture and interiors practice that operates in both the private and public sector. We seek applicants for a Project Architect / experienced graduate position as well as an draftsman with strong documentation skills. The role is to work closely within the K2LD team in designing, documenting and administering projects. The size of projects ranges from low budget home extensions to \$90M dollar developments. The typologies are diverse, ranging from small school refurbishments, through multi residential developments to high rise hotel buildings.

What we offer:

You will become part of a collaborative team that will provide you with supervision and mentoring to aid your growth, and will prompt you to share your knowledge and contribute to the growth of the team. You will enjoy a good work/life balance and occasional social gatherings.

What we are looking for:

Ideally, you have at least have a minimum of 5 years of post-qualification experience. You are a hardworking and motivated individual with strong documentation skills using Autocad and Revit. You appreciate the practicality in delivering projects and have a predilection to work in a team environment.

How to apply:

Submit application, including:

- A short Cover Letter outlining your motivation for working with us;
- A resume addressing your education level, a mention of previous professional experience in architecture, interior design, or related fields. It should also contain an assessment of your production skills and level of competency in the valued skills stated above and any other you feel would support your suitability for the role.

- An electronic version of your portfolio, maximum file size 4MB.

(In addition, links to an on-line portfolio are welcomed, please include these in your cover letter if to be provided.)

Send your application to careers@k2ld.com.au with the following subject line in your application:
K2LD_04/05_2017 - First and Last Name

Please note that only shortlisted applicants will be contacted. You need to be eligible to work in Australia on a permanent full-time basis to apply.
