

September 2017

Project Architect

De.arch is a boutique architecture and interior design studio located in South Melbourne. We currently have a range of exciting residential, commercial and hospitality projects and are seeking an experienced project architect to join our busy office.

You will have 4+ years' minimum local post graduate experience in delivering both single and multi-residential projects with skills in all stages of project delivery from client relationship / communication, through to contract administration.

The successful candidate will have the following experience;

- You must be able to multi-task and work independently
- Be well organised and proactive in achieving your set tasks
- Capable of producing project specific design solutions
- Local council planning/ Rescode experience
- Residential design detailing including construction and joinery details
- Coordination of secondary consultant documentation
- Accurate construction documentation to a high standard
- Knowledge of relevant Australian standards and building codes
- Proficient in AutoCAD, Revit experience is advantageous
- Strong skills in SketchUp & Adobe Creative Suite
- Must be able to work permanently in Australia

The role is a full-time position but flexible working conditions will be considered for the right candidate.

If you are design-focused, enthusiastic and diligent, the position is available for an immediate start.

To apply:

Please email your CV, cover letter and a sample of your folio (max 5MB) to: info@dearch.com.au

Architectural Student

De.arch is a boutique architecture and interior design studio located in South Melbourne. We currently have a range of exciting residential, commercial and hospitality projects and are looking for 4th year + architecture student to join our team for 2 days a week.

As you will be assisting on presentation level images and drawings, strong skills in SketchUp, Adobe Photoshop + InDesign are essential, but you must also be competent using AutoCAD and favourable if you have experience in Revit.

As we are a smaller studio, you will be working closely with the directors and be given the opportunity to be exposed to the many facets of architectural practice. If you are design-focused, enthusiastic and diligent, the position is available for an immediate start for the right candidate.

To apply:

Please email your CV, cover letter and a sample of your folio (max 5MB) to: info@dearch.com.au
