Project Architect

We are a boutique practice of around 10-12 staff working from a converted warehouse in Cremorne. Our open plan office is design focussed, collaborative based and committed to delivering excellent projects. We are currently looking for a talented individual to join our friendly team. Experience on high end multi-residential and commercial projects is desired, paired with a proactive personality, strong communication skills and an exceptional design/ detailing sensitivity. Vectorworks experience (preferred but not essential) as well as basic knowledge of Rhino and fluency in Microsoft Office and the Adobe Suite. We offer an excellent opportunity for a talented person to consolidate their skills and grow with this established business.

Further Detail:

We can offer:

- A friendly, collaborative work environment in an established design focused firm
- Opportunities for professional development and career progression
- A diverse range of projects across different sectors and of varying scale
- A rewarding salary commensurate with skills and effort

Skills & Experience: *Essential*

- A minimum of 3 years experience (local)
- Excellent communication skills, initiative and a proactive approach
- Passionate, with a strong design and detailing sensitivity
- Proficiency in preparing town planning submissions and contract documentation on high quality projects

Skills & Experience: *Preferred*

- Experience on residential, high-end multi-residential and commercial projects
- Knowledge of Rhino
- Knowledge of Vectorworks (preferred but not essential)
- Fluency in the Adobe Suite and Microsoft Office

If you think this sounds like a good fit, please email your resume and a brief portfolio of your work to:
