

## Project Architect Position

bamford-architects is seeking a Project Architect with strong design skills who has a minimum of 5 years post-graduate experience to join our small studio located in Richmond. The position involves taking a leadership role on government and community projects from design development stage through to completion of construction. Candidates should be proficient in Revit and Autocad, have the ability to work independently, and have a sound knowledge of regulatory frameworks.

To apply, please forward a CV and folio (under 5MB) to [info@bamford-architects.com](mailto:info@bamford-architects.com)
