

Architect or Experienced Draftsperson

Merat Pty Ltd Architects have been operating for 28 years and service a number of public institutions in the development of laboratories, hospitals, fire stations and public housing.

We now seek the services of a graduate of architecture or draftsperson with 3-5 years experience to assist the documentation phase for a number of projects ranging in value from \$ 500,000 to \$ 4.5 million.

The person we seek should be competent in the full range of electronic based programs, most importantly autocad 2D, demonstrate an understanding of construction detailing and be able to take a lead role in the transfer of design proposals to construction ready documentation.

We propose that initially the appointment be on a contract basis however a more permanent arrangement can be negotiated subject to performance and work availability.

The company is based in Moonee Ponds, Victoria.

Interested parties should initially email resumes to the Principal with details provided below:
