

TANDEM

Project Architect (5+ years experience)

TANDEM is looking for an experienced architect to join our team. With an expanding studio and exciting projects across a range of sectors we are seeking passionate, creative and motivated people to grow with us.

Our portfolio is diverse; masterplanning, cultural and community work, retail with an emphasis on public markets, residential and commercial projects and is underwritten with a commitment to experimentation, collective creation and delivering value and leadership to our clients.

TANDEM offers the opportunity to work in an inclusive, supportive environment with leadership pathways and the potential to shape the direction of the TANDEM's future.

TANDEM values strong design sensibility, communication skills; written and verbal, team players and a sense of fun.
