

## *Interested in a tree change?*

***Xsquared Architects Hobart*** are hiring. If you are a skilled registered architect with 5+ years of experience, are looking to move to the apple isle, and have a cheerful disposition and an ability to get on with people, you may be who we are looking for.

You will need to have good written and verbal communication skills and be able to lead a team from inception to completion on medium to large scale projects. Like us, you will also have an appreciation of sustainable design, and know what it takes to achieve high quality design outcomes.

***Details*** - we offer a great working environment, good remuneration, the opportunity for professional development, career progression, and a good work/life balance.

Send applications to [alex.newman@xsa.net.au](mailto:alex.newman@xsa.net.au).

Shortlisted candidates will be contacted for interview.

**Xsquared Architects**

1<sup>st</sup> Floor 125 Collins Street Hobart
