

DelanyArchitects.

Architect / Architectural Graduate

About us

Delany Architects is looking to recruit new members of staff to join our residential design studio in Malvern East. We specialize in designing bespoke residential projects and encourage collaborative & sustainable design. Our busy office is modern and spacious with a garden outlook. We are located in a shopping strip with public transport at our doorstep.

We consistently deliver outstanding service & enjoy great working relationships with our clients.

Full Time or Part Time Positions Available:

Our studio is currently very busy, so we are looking to fill multiple roles from Architectural Graduates to Registered Architects.

We need creative and talented people to join our team, and can offer flexible hours to the right candidates.

Key Areas of Involvement:

You will be involved, either directly or working closely under the guidance of the Director, in running projects from Concept through to Contract Administration.

You will be expected to liaise with clients & consultants, and contribute to all aspects of the Design & Documentation stages.

We have several interesting proposals in the works, so you will be immersed in some exciting projects from day one.

Skills & Experience:

As we have multiple roles to fill, we are looking for combinations of the following attributes:

- Architectural Graduate (or above)
- Passion for good design
- Excellent communication & organizational skills
- Residential Design & Documentation Experience favorable
- Strong Technical ability for Tender & Construction Documentation
- Strong skills in AutoCAD, Adobe Suite Software, SketchUp, Rhino or similar presentation software
- Revit experience would be advantageous

We are looking for team members who are passionate about residential design and who want to be totally involved in the practice. We are offering broad positive experience in a friendly environment with strong future prospects. Flexible hours and attractive salary for suitably qualified candidates.

How to Apply

Suitable candidates please email your CV and portfolio (max. 5MB) to the Practice Manager - emily@delanyarchitects.com.au
