

Graduates of Architecture

B.E Architecture is an award winning residential architecture studio with notable architectural projects in Melbourne, Sydney and Queensland.

We have just moved to our great new and bigger office in Cremorne and due to sustained business growth we are looking for exceptional Graduates of Architecture who are passionate about design and dedicated to delivering projects of the highest standard.

We are a small, friendly, supportive and creative team and offer a great working environment. We are committed to the teaching and sharing of knowledge within the studio.

We have a sense of humour and are committed to architecture and if you are similar please read on.

We are looking for people with:

Attributes

- self-motivated person with flexibility and willingness to learn and adapt
- ability to manage multiple tasks
- dedication to work within a team to achieve a great outcome
- wants to grow and learn
- strong attention to detail.

Skills and Experience

- excellent drawing skills
- 3+ years post graduation experience
- broad knowledge of how to put buildings together
- high level of skill using Revit
- experience in residential construction in Australia
- broad knowledge of both the Planning Scheme and BCA
- good team player.

Remuneration will be commensurate with experience and skills.

Interested candidates, please forward your CV together with a folio of design work to jon.b@bearchitecture.com
