ARCHITECT

Interlandi Mantesso Architects are a mid-sized architectural firm looking for an experienced Architect to join their team.

You will have the opportunity to work on a variety of projects from Multi-Residential to Commercial and Alpine. Our practice uses ArchiCAD exclusively and so experience with this software package is essential.

We work in a relaxed open plan studio environment, are design based and we are located in the heart of Richmond. We pride ourselves in developing diverse skill sets and opportunities for future leaders.

The successful candidate should possess;

- At least 5 years' experience
- Proficiency in ArchiCAD
- Architectural design development & documenting experience
- Multi residential project experience is preferable
- Strong Professional standards
- Ability to work autonomously
- Good knowledge of construction techniques, methodologies and processes.
- Excellent client/consultation skills

Excellent salary package to suite experience, please send your CV to & folio to info@imaarchitects.com.au .

Please note that only shortlisted applicants will be contacted.

You need to be eligible to work in Australia on a permanent full-time basis to apply.
