

## AD PLACEMENT

### GRADUATE ARCHITECTS

Denton Corker Marshall is seeking a number of team members for diverse roles on our exciting infrastructure and urban design projects. Infrastructure experience an advantage, but not essential.

Roles range from talented graduates to experienced project architects.

Enthusiastic architecture graduates with minimum 2 years' experience, and a strong attention to detail are encouraged to apply. REVIT, Grasshopper and/or Rhino preferred.

Denton Corker Marshall is one of Australia's leading design practices with a focus on high quality design outcomes. We pride ourselves on our collaborative and engaging work practices and invite you to join us.

Applications will be kept strictly confidential.

Applicants should email their CV, portfolio and any letters of recommendation in PDF format (less than 10MB) to:

[maria.giannakis@dentoncorkermarshall.com](mailto:maria.giannakis@dentoncorkermarshall.com)
