Livable Housing Design Industry Update from the Property Council

Thurs 10 Oct, 4pm - 6pm

National Room, Hotel Realm

The Design of Australia's Homes is Set for a Makeover. New technologies, an ageing population, demand for more flexibility and choice, and a growing cohort of baby boomers who want to remain 'forever young' are all set to change the way we design and build homes.

Australian Institute of Architect members can attend the forum at Property Council member rates on this occasion. Members who are interested in attending should fill out the registration form and return it to the Property Council.
