### *From the CEO*

Earlier this year National Council agreed on five policy priorities for the Institute, which are forming the basis for our engagement with the major political parties during the federal election

campaign. The policy priorities are: Sustainable Communities, Design Culture, Climate Change, Housing and Regulation...

### *News*

*Institute Launches Policy Platform*

We can all benefit from Australian towns and cities that are more productive, sustainable and liveable and it is critical that the next Australian government takes a leadership role in guiding the strategic planning of our cities and urban areas. This is the message being delivered by the Institute to all federal parliamentarians during the election campaign.
