

# Conrad Gargett

Conrad Gargett is an internationally recognised design studio that brings together the experience of more than 150 architects, interior designers, landscape architects and urban designers. Our history across architecture, interior, landscape architecture and the urban design disciplines spans more than 128 years. We have developed specialist teams with a strong reputation of delivering on our core purpose of creating meaningful places for people.

Our studios located in Brisbane, Sydney, Melbourne, Townsville, Newcastle and Addis Ababa are unified by our commitment to strategic design thinking methodology.

We are seeking an Architectural Graduate, with 0-5 years (post Masters) experience or a recently Registered Architect with advanced Revit knowledge and a proven ability to work within a collaborative project environment. **The position is based in our Townsville studio.**

#### **The successful candidate will:**

- Work closely with the project leaders to produce great design and documentation
- Work on a variety of project sectors
- Work on design development, development applications, documentation and construction stages of projects
- Contribute positively to collaborative environments

#### **To be the successful candidate you will:**

- Have 0-5 years relevant work experience following successful completion of Masters of Architecture or be a recently Registered Architect
- Show demonstrable experience in the production of detail design and contract documentation
- Have experience in Lumion and Photoshop
- Have ADVANCED knowledge of the REVIT platform
- Be passionate about making a difference to people's lives through design of places and spaces.

Please email your cover letter and resume to [careers@conradgargett.com.au](mailto:careers@conradgargett.com.au), using 'Townsville studio application' as the subject line. You must have the right to live and work in Australia to apply. Only shortlisted candidates will be contacted.
