

# Experienced Graduate / Architect - Melbourne

---

## About Architectus:

We are a multi-award-winning Australian architecture and design studio specialising in commercial, education, interiors, public, residential, transport and urban design.

Our design philosophy is underpinned by our 5Ps – people, place, purpose, planet, and production. We are thoughtful in our approach, and we work collaboratively with our clients and partners to create places and spaces that stand the test of time and are respected for their rationality, ingenuity and beauty.

We take community and environmental sustainability seriously – accepting responsibility for our projects' social and ecological impact and our practice operations. We take design leadership for environmental impact, cultural heritage, economic viability and social significance so that each precinct, building or interior space will withstand and adapt to whatever the future holds.

Working in a fast-paced, high-performing practice with a welcoming and supportive team, you will enjoy flexible work conditions, generous paid parental leave plus many more benefits.
