

GRADUATE OF ARCHITECTURE

Term: Full Time

Salary: Negotiable, commensurate with experience

About the company

Ewert Leaf is a dynamic, multi-disciplinary design and architecture studio distinguished by an innovative yet commercial approach to design solutions.

Our diverse portfolio of work spans across hospitality, retail, workplace, private and multi-residential, and aged care sectors.

The studio leaders are passionate about mentoring and developing talent to shape the future of the industry in the way we work, learn and live.

Nestled close to Albert Park in South Melbourne, our practice is an engaging, community focused collaborative space.

The Opportunity

We are seeking a highly motivated graduate of architecture to join our close-knit team. This role offers the opportunity to contribute and work collaboratively with the team across a diverse range of projects through all phases including Feasibility, Sketch Design, Town Planning, Construction Documentation and Contract Administration. The suitable candidate will be able to gain a broad range of experience and develop their skills under the guidance of experienced senior architects and the EL Graduate Program.

About the role

The right candidate will be either commencing or developing their career in architecture with a passion for design and a positive and professional attitude. As a self-driven and independent worker, you will have the opportunity to contribute to a range of projects in a collaborative team environment while developing a breadth of experience in all aspects of project delivery. You will actively seek to develop skills through attendance and participation in learning events including training and briefing sessions run by the practice. You have an eye for detail and strong organisation and time management skills.
