

## Introducing the NSW People's Choice Awards for Life in 2020

COVID-19 restrictions have given everyone, architects and otherwise, occasion to reflect intently on space – the spaces we live in and the spaces we'd love to live in, the essential workplaces that remain active to serve the community, and the places we'd love to spend time if only lockdown restrictions were relaxed.

This year, in response to the new appreciation the wider community has for quality spaces, we are introducing the NSW People's Choice Awards for Life in 2020, where shortlisted 2020 NSW Architecture Awards projects are in the running in one of the following categories:

- ISOLATION OASIS AWARD
- WE'RE ALL IN THIS TOGETHER AWARD
- POST-ISO PARTY AWARD

Open to voting by everyone, this playful set of awards will seriously recognise the projects that inspire us in the context of our altered relationships to our housing, workplaces, centres of essential community services and to the public domain.

VOTING OPEN NOW Friday 8 May

VOTING CLOSES 11:59pm Thursday 18 June

Maximum 3 votes per person. Winners will be announced in July.

### **Isolation Oasis Award**

Vote for the residential project you would most like to isolate in.
